**PRELIMINARY AMENDMENT**

Commissioner for Patents  
Washington, D.C. 20032

Sir:

Preliminary to the examination of the above-identified continuation application, the following amendments and remarks are respectfully requested.

**IN THE CLAIMS:**

Please **ADD** new claims 10-20 as follows:

10. (New) The active matrix liquid crystal display apparatus of claim 1, further comprising:

a high level gate voltage generator providing the first gate voltage to the gate driver,  
the high level gate voltage generator comprising,

a high level voltage source providing a high level voltage, and

a voltage controller receiving the high level voltage and providing therefrom  
the first gate voltage changing prior to exciting of successive gate signal lines.
